

# STEERING WHEEL COVERS

## *The Best Touchpoint Coverage!*

Cover the #1 touchpoint in the interior of a vehicle by using genuine Slip-N-Grip® vehicle protection. Protect your customer's steering wheel from dirt, grease, and germs. Maintain a professional image and show the customer that cleanliness is your goal.

## **ELASTIC COVERS**

- Easy-to-apply elastic design
- Double-band style or shower cap style
- 500/box
- 0.5 mil thickness

*Protect customers and technicians*
