

A high-angle photograph of a vehicle's interior, showing the dashboard, steering wheel, and front seats. The steering wheel is wrapped in a clear plastic slip-resistant cover. The front seats are covered with clear plastic slip-resistant covers. Two white floor mats with blue tire tread patterns and the text "THANK YOU" are placed on the floor. The center console and gear shift area are also visible.

**KEEP VEHICLES CLEAN.**

**KEEP CUSTOMERS  
COMING BACK.**

There's no denying that happy customers are repeat customers, and repeat business is the best way to grow profit in your service operations. Auto service managers around the world recognize this and choose Slip-N-Grip® products to keep vehicles clean and deliver exceptional service to their customers.

### **The World Leader in Vehicle Service Products for Automotive Aftermarket**

Slip-N-Grip® serves the automotive aftermarket with a variety of vehicle protection products that help exceed customer expectations and keep them coming back. The Slip-N-Grip® line includes plastic seat covers, paper and plastic floor mats, steering wheel covers, tire bags, dispensing systems, and dozens more products for vehicle service operations.

### **35 Years of Industry Experience**

As a Michigan-based company, it was almost inevitable that we would create products to fit into Detroit's automotive industry. Our opportunity came in the 1980s when automotive makers ran into a new issue — keeping plastic in the seats for protection during automotive assembly. We developed a technology that would allow people to slip over the layer of plastic while it gripped the seat underneath. And just like that, Slip-N-Grip® was born. The 2-ply technology was patented in 1986 and took off shortly after in 1989 when we received a contract to manufacture Ford's OEM seat covers.

Opportunities in the automotive aftermarket quickly followed our OEM business, and we began providing seat covers for service operations. Since then, we've designed a full line of plastic products specifically developed for the automotive industry. Today, we continue to lead in quality and service while maintaining the innovative spirit that started it all.

## A Company You Can Trust

Slip-N-Grip® is a division of Petoskey Plastics. Petoskey Plastics has been the innovator in manufacturing blown plastic film and bags that are engineered for performance. We are an industry leader supplying the automotive, recycling, medical, retail, home improvement, and construction industries with engineered solutions that meet specific needs. Our mission is to earn the appreciation and respect of our customers, associates, and communities. This philosophy has led to continuous growth since our founding in 1969.

## All of our custom-engineered products share common attributes: innovation, performance, and value for our customers.

We pride ourselves in offering expansive product lines and custom-engineered solutions to meet the expectations of our customers and the industries we serve. As a manufacturer and a supplier, we have the resources to create custom products that rival national brands in performance and cost.

As a small business, we work hard to provide solutions for our customers and strive for continuous improvement in our processes, products, operations, systems, and services. With a corporate philosophy rooted in continuous improvement, our quality team has over 100 years of combined experience. We have quality labs with state-of-the-art testing equipment at all four of our manufacturing facilities. The testing equipment allows us to ensure that all products meet our customers' specifications.

**Petoskey Plastics is an SBA  
Certified Veteran-Owned  
Small Business**

**Intertek**

*Morristown, TN Plant*

Most automotive aftermarket products are made here, including seat covers, tire bags, and plastic and paper floor mats.

**Petoskey Plastics is a very diverse company.**

**In addition to manufacturing world-class multi-layer bags, covers, and film, we are also one of the largest post-consumer film recyclers in North America.**

## Committed to Sustainability

Petoskey Plastics is committed to being an innovative leader in environmentally responsible manufacturing, packaging, and recycling of plastic bags and film. We use environmentally responsible manufacturing and packaging processes that preserve resources, reduce our carbon footprint, and improve our quality of life.

Our constantly evolving research, technologies, and materials have led to a full line of high-performance polyethylene products that contain recycled material, keeping the environment in mind.

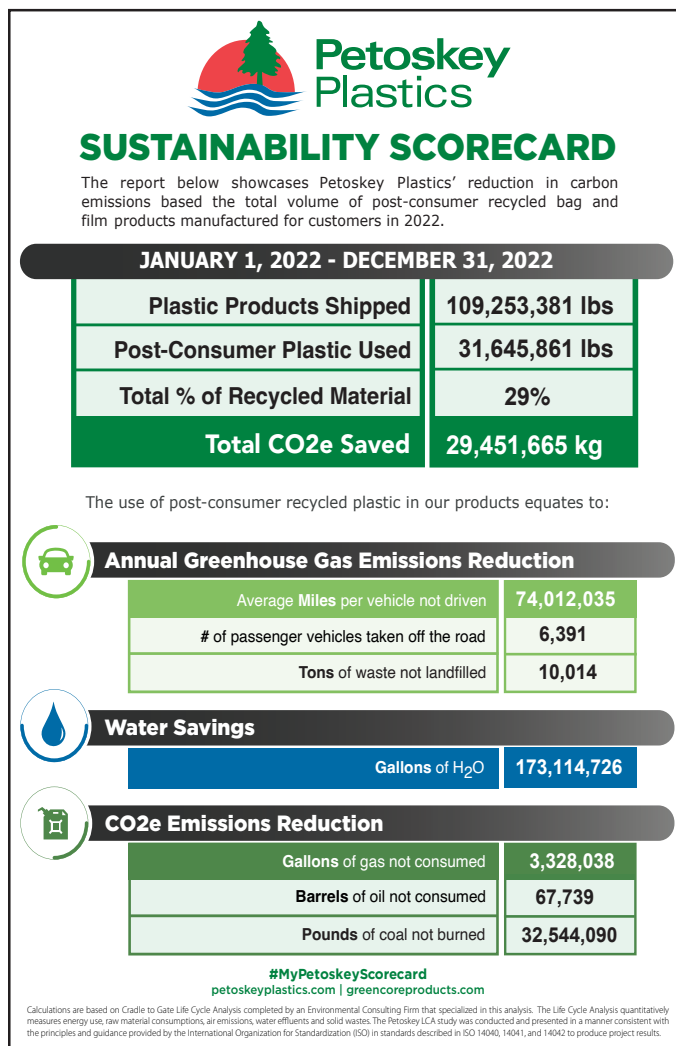

## Sustainability Scorecards

Making the decision to engage in a recycling philosophy means taking on social and economic responsibility to care for the environment.

Our Sustainability Scorecard launched in 2016 to help our customers evaluate the impact of their sustainability efforts in ways that their own customers, investors, and employees could understand. Through their participation in the closed loop program and purchase of recycled products from Petoskey Plastics, they receive information on the pounds of plastic waste collected, recycled, and percentage of recycled plastic used in their new products.

Calculations were based on a Cradle-to-Gate Life Cycle Analysis by an Environmental Consulting Firm that specializes in this analysis. The Life Cycle Analysis quantitatively measures energy use, raw material consumptions, air emissions, water effluents, and solid wastes.

# WHY *SLIP* N **GRIP**®

01.

Slip-N-Grip® is the only Automotive Aftermarket brand of interior seat protection approved by all major North American Automotive OEMs. For over 30 years, we have been supplying patented technology and today we offer a full line of vehicle service products and solutions.

## EXPERIENCE

02.

## QUALITY

The Slip-N-Grip® brand has always been synonymous with quality products. Our highly trained quality teams as well as our continuous improvement processes ensure we provide the highest quality products.

03.

Thanks to rigorous processes and standards, we provide products that match specifications, descriptions, and expectations every time.

## CONSISTENCY

04.

## PERFORMANCE

Not only are our products consistently high quality, they perform better than the competition. Our specially engineered Slip-N-Grip® technology allows for better strength, increased flexibility, and superior performance.

05.

Our customers are our number one priority. That is why we have a highly trained customer service team to ensure a smooth process from start to finish, answering any questions you may have along the way.

## CUSTOMER SERVICE

## Slip-N-Grip® helps prevent:

### SERVICE SOILS

The #1 complaint in the automotive service industry.

### LOST BUSINESS

95% of lost business is due to customer service letdown.

### CUSTOMER CLEAN UP COSTS

The average cost to clean a soiled vehicle seat is \$70.

### POOR REVIEWS

Only 1 in 27 customers complain. The other unhappy customers do not come back but tell others about their bad experience.

*"Attempted removal of grease stains was time consuming on my part and unappreciated."*

DEALERSHIP CUSTOMER REVIEW

## Slip-N-Grip® can help you:

### KEEP CUSTOMERS HAPPY

Create repeat business by telling others about their experience.

### PUT CUSTOMERS FIRST

Automotive technicians wear gloves to protect their hands from service soils...doesn't the customer's car deserve the same?

### PROTECT VEHICLES AFFORDABLY

For less than 45 cents/vehicle for a seat cover, steering wheel cover, and floor mat - an automotive service facility can leave a positive impact on the customer.

### IMPROVE PROFESSIONAL IMAGE

Improve your brand image with professional interior protection products that stand for quality and performance. Whether it's custom-imprinted or not, your image is what the customer sees first.

### GROW YOUR BUSINESS

Grow your market share, increase CSI, increase repeat business, and increase referrals!

*"Service was fine but they did not use paper floor mats and got grease on my floor mats and carpet AGAIN."*

DEALERSHIP CUSTOMER REVIEW

# ESSENTIAL *Touchpoints*

***Now more than ever, keep vehicles clean & protected!***

There are 4 major touchpoints inside a vehicle that come in close contact with the driver and the service technician. It is recommended that these areas are covered and protected with the inexpensive disposable products below so when the vehicle is returned to the customer, it is free from dirt, grime, oil, grease, and germs.

**Keep vehicles clean.**

**Keep customers coming back.**

# 1

## STEERING WHEEL

PG. 14

The most touched interior surface during a car's service. Keep dirt, grease, and germs off the surface with a full-coverage protective cover that slips easily over the top and bottom of the wheel. Full coverage or wheel-only options available.

- Double Band Elastic [FB-P9943-33](#)
- Shower Cap Elastic [FB-P9933-82](#)
- Truck Size Double Band [FB-9943-35](#)

# 2

## GEAR SHIFT

PG. 14

Protect service technicians and customers from this commonly touched area. Protect the customer and the technician from grime, debris, and bacteria with this small protective barrier.

- Gear Shift Covers [FB-P9943-80](#)
- Small Parts Bags [FB-P9943-30](#)

# 3

## DRIVERS SEAT

PG. 11

Protect upholstery with disposable and recyclable seat covers. Multi-layered construction ensures cover stays on seat when technician moves in and out of the vehicle.

- Heavy Duty 32" x 56" 1.0 mil [FG-P9943-20](#)
- Premium 32" x 56" .7 mil [FG-PP43-14](#)
- Value 32" x 52" .5 mil [FG-P9943-15](#)
- Sustainable 32" x 56" .7 mil [FG-PP43-21](#)

**Clings.  
Covers.  
Protects.**

# 4

## FLOOR BOARD

PG. 15

Paper and plastic floor mats protect carpet from any residue tracked into the vehicle from the technician's shoes.

- Prime 22" Paper [M3273PE2280A](#)
- Prime 19" Paper [M3274PE1980A](#)
- Plastic [FG-P9943-02](#)

**For a low cost you can prevent permanent oil stains on a customer's carpeting!**

## Vehicle Protection Starts Here

These sturdy racks come with everything you need to start keeping vehicles clean with genuine Slip-N-Grip® vehicle service products.

## FLOOR RACK START UP KIT

FK-P9943-76

## What is Slip-N-Grip?

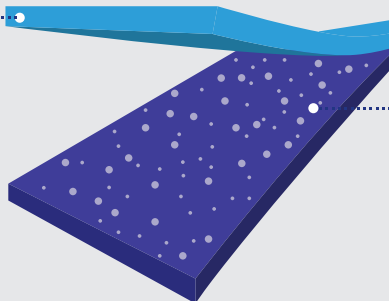

### Patented Coverage That Works!

The multi-layered construction of the seat cover ensures that they stay in place throughout the entire service process.

**Slip-N-Grip®'s dual layers have extra elasticity and strength, outperforming even thicker single-ply plastics.**

## SLIP LAYER

Top layer is smooth, so porters and service technicians can slip in and out of vehicles quickly and easily.

## GRIP LAYER

Formulated with high friction plastics so it grips the seat of any surface: cloth, carpet, or leather.

32" x 56"  
0.7 mil  
250/roll

## SUSTAINABLE SEAT COVER

FG-P9943-21

### Meet Sustainability Goals

With the same Slip-N-Grip® technology and design as our traditional seat cover, our newest product makes the switch to sustainability easy.

This first-to-the-market seat cover contains 25% post-consumer recycled plastic, making it the perfect addition to any operation focused on meeting sustainability goals. These recyclable and domestic-made seat covers have the added bonus of lowering carbon impact and contributing to a circular economy, all while keeping the familiar and trusted Slip-N-Grip® brand.

- Made with 25% Post-Consumer recycled content
- Advanced Slip-N-Grip® technology
- Green advantage without the added cost

GreenPE® post-consumer plastic resin is made from plastic that has been recycled following its original intended use.

AIDS IN CREATING A

## **Keep Vehicles Clean & Keep Customers Coming Back**

Keep dirt, grease, oil, spills, leaks, or other shop fluids out of your customer's vehicle during service with genuine Slip-N-Grip® and Image Mat™ floor mats. Paper floor mats can be customized using 4-color process printing in various sizes. Please contact your Slip-N-Grip® market specialist or distributor for details.

## **PRIME HEAVY DUTY TREATED PAPER**

CUSTOMIZE

**M3273PE2280A (22") and M3274PE1980A (19")**

This premium paper floor mat is the perfect choice for full colored custom graphics. It is consistently the same paper every time, improving customer satisfaction.

- Durable coating for heavy foot traffic
- Vibrant, full color prints
- 17" x 22" and 17" x 19" sizes available
- Bright white treated paper
- Premium quality
- Direct from the mill - reliable paper supply

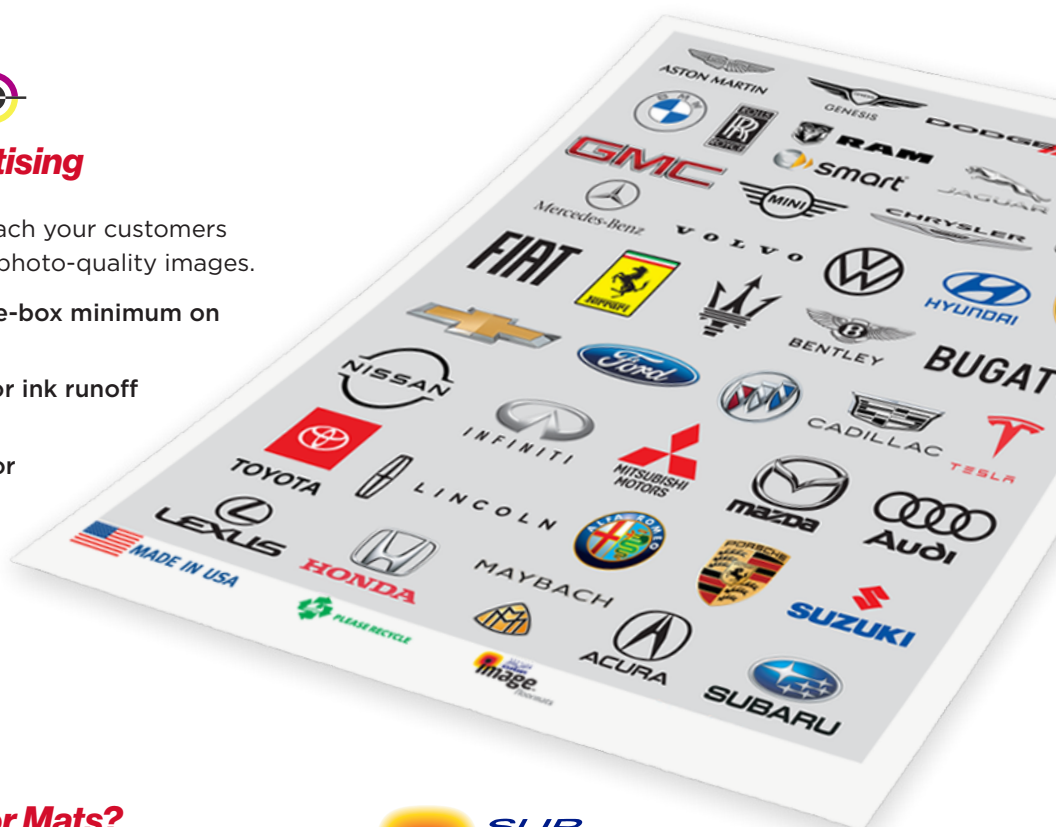

## CUSTOM PRINTING

### Full Color Professional Advertising

A cost-effective way to advertise and reach your customers while protecting their vehicle. Full color photo-quality images.

- Custom imprints require only a three-box minimum on Prime paper (1,500 mats, 500/box)
- Printed with UV Ink - no smudging or ink runoff
- 48-hour turnaround time for proofs
- ImageMats™ are available in full color
- One-time plate fee

### Why Use Custom Printed Floor Mats?

- *Direct marketing opportunity*
- *Build your brand and repeat business*
- *Cross-promote with major brands and/or local businesses*
- *Competitively priced with other advertising media*

## THE FLOOR MAT THAT EARNS YOU MONEY

CA\$HMAT® doubles as vehicle protection and high quality, full-color advertising – including perforated tear-off coupons. CA\$HMAT® helps generate repeat business by getting custom promotional messages and coupons directly in front of customers at the point of service.

### Three Ways to Use a Ca\$hMat®:

1

#### Coupons

- Add-on services
- Discount services
- New Products
- Partner with a local non-competitive business to help pay for your floor mats!

2

#### Call to Action on Social Media

- Build your brand and reach your customers on social media
- Ask customers to "like" or "follow" you, where you can then post current discounts, promotions and contests
- Request customers to post online reviews

3

#### Aftercare Instructions

- Let your customers know how to properly care for their vehicle and accessories after detailing or other service

## PLASTIC FLOOR MATS

FG-P9943-02

A great alternative to paper floor mats, these plastic floor mats prevent water, oil, grease, and most shop chemicals from touching the carpeted floor of the customer's vehicle. Mats are manufactured with Slip-N-Grip® multi-layer construction, reducing the amount the mat moves around on the floorboard.

- 16.5" x 21" size perforated on a roll
- 2.0 mil for greater durability
- Waterproof
- Disposable and easy to dispense
- One color custom imprinting available
- Recyclable

CUSTOMIZE

## ADHESIVE FLOOR MATS

FB-P9933-49

The adhesive floor mat option. Like the plastic floor mat, but with the added benefit of adhesive on the back to prevent the mat from moving. This high-strength barrier will prevent water or any shop chemical from seeping into the carpet. Perfect for detail shops, car washes, used car dealers, showrooms, and RV outlets.

- 21" x 24" clear mat with high-strength adhesive coating
- 175 adhesive mats per roll
- 3 mil thickness
- Stay-in-place protection for up to 30 days

*"Whoever did the inspection must have had mud all over his shoes because it got all over my new floormats and all over the door panel. I was not very happy!"*

DEALERSHIP CUSTOMER REVIEW

## ADHESIVE FLOOR MAT KIT

FK-P9933-61

- 2 rolls of adhesive floor mats (175 ct./roll)
- Tabletop dispenser rack

## DISPENSER RACK

FB-P9943-82

- Cuts evenly, using either side of the double-edged, spring-loaded blade
- Roll change is easy with dowel holders and knife arms that lock into open position
- Includes rubber feet to protect surfaces.
- Can be mounted on counter, under counter, or on a wall

## Promote Repeat Business With Our Convenient Service Reminder Products

Our convenient, easy-to-use GoDEX service reminder label system ensures a professional image and helps to promote repeat business. Its intuitive controls and LCD operation panel make it easy to operate.

- Sleek black color hides the dirt and grime
- Compact size and unique industrial design
- Includes tough, waterproof, flexible keyboard
- Innovative calibration button makes Label Calibration simple and fast
- Automatically calculates mileage return intervals
- Can be programmed with your company name and phone number
- 3 year warranty, 6 month warranty on print head

**Provide a personalized experience with branded service products**

Slip-N-Grip® offers in-house design services to make ordering custom products quick and easy for you. There is a variety of protective products that can be printed with 4-color process capability and select Pantone spot colors. Maximize marketing budget by customizing products that are already used in service operations to advertise to customers.

**Placement of art:**

**PAPER FLOOR MATS**

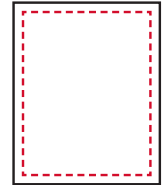

**Minimum order qty:** 3 boxes of 500 on Prime paper  
10 pallets on Glossy Back and LCA Economy paper

**One-time artwork/plate fee:** \$75

**Color options:** 4-color process, select spot colors for Prime paper  
1 color, blue or black, for LCA and Glossy Back paper

**Size options:** 17" x 19 | 17" x 22"

Show customers you care about keeping their floorboards clean while promoting repeat service. Full-color graphics make for affordable marketing.

**SERVICE REMINDER LABELS**

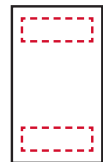

**Minimum order qty:** 12 rolls of 500

**One-time artwork/plate fee:** \$35

**Color options:** 4-color process, limited spot colors

**Size option:** 1.5" x 2.25"

Branded static clings serve as a reminder to your customers where and when their next service should be. Provide address and/or phone number to make repeat service easy! Low tack and static cling available.

**PLASTIC FLOOR MATS**

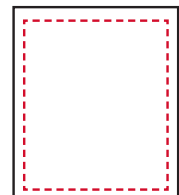

**Minimum order qty:** 3 pallets (360 rolls)

**One-time artwork/plate fee:** \$75

**Color options:** Blue or black

**Size option:** 16.5" x 21"

Customize with a logo or return message to catch customer's attention on these Slip-N-Grip® multi-layer plastic floor mats.

**TIRE BAGS**

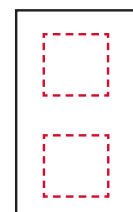

**Minimum order qty:** Call for details

**One-time artwork/plate fee:** \$75

**Color options:** Blue or black

**Size option:** 36" x 40" | 39" x 44" | 47" x 48"

Give your business the professional edge by printing your brand name on the tire storage bag! When the next season rolls around customers will remember where they had their tires changed out.

**ACCEPTABLE  
FILE TYPES:**

Vector art formats: **PDF, EPS, AI**

Image formats: **PNG, JPG, PSD**

**ALL artwork files must be high resolution (300dpi).**

## ORDERS

Orders may be emailed to  
[orders@slipngrip.com](mailto:orders@slipngrip.com)

## DISTRIBUTOR AGREEMENT

All new distributors must complete an application and go through a review process. Petoskey Plastics only sells Slip-N-Grip® Products through distributors. A credit application must be filled out and approved before terms can be issued.

## PRICING

Due to fluctuation in material and resin costs, prices are subject to change. Prices are those in effect at the time the order is placed, unless the order is specified to ship beyond thirty (30) days from the date of the order, prices shall be the prices in effect at time of shipment. Petoskey Plastics reserves the right to change prices to offset any increase in current price (e.g. raw material cost or other costs of production) or any increase in transportation for the goods placed into effect between the date and time of shipment.

## PAYMENT TERMS

Payment terms are Net Thirty (30) Days, unless otherwise agreed in writing by Petoskey Plastics. We do accept credit cards if that is your preferred method of payment. Each shipment is considered a separate and independent transaction, and payment thereof shall be made accordingly. If shipments are delayed by Petoskey Plastics, payments shall become due on the date the shipment is made. Invoices will be generated one day after shipment leaves our warehouse and emailed to you for processing. Credit cards will be billed upon order shipment. Please supply desired contact information for these documents. All purchases will be paid within payment terms by a single check or wire transfer.

## CHARGES

In the event full payment is not received in accordance with the terms, a finance charge will be assessed at one and one-half (1.5%) per month on the past due unpaid balance (which is at an annual percentage of eighteen (18.0%) percent) or the highest rate permissible under the applicable law, until all amounts are paid in full.

## BILLING

Setup Petoskey Plastics as a vendor to your company.  
Remittance address is:  
Dept#67-651  
PO Box 67651  
Detroit, MI 48267-0651

## WARRANTY

Upon delivery of the products, Buyer shall promptly inspect. If any products delivered fail to conform to the specifications or to be of the kind designated prior to the date which is fifteen (15) days from the date of shipment, or prior to the date of use or resale of the products by the buyer (whichever date sooner occurs), Buyer shall notify Petoskey Plastics immediately in writing. Failure of Buyer to notify Petoskey Plastics of any alleged defects or

mistakes within this 15 day warranty period shall be considered acceptance of the goods and a waiver by Buyer of all claims with respect thereto. No legal proceeding based on the sale of goods or on this agreement may be initiated by Buyer more than one (1) year after Petoskey Plastics delivery of the goods, or one (1) year after the underlying claim arose, whichever date sooner occurs.

## DELIVERY

Unless otherwise specifically provided in writing, Buyer shall pay freight from point of shipment to destination. Petoskey Plastics may deliver the products in more than one shipment, each such shipment to be considered as a separate contract to be paid for separately. Risk of loss shall pass to Buyer upon delivery to the carrier at point of shipment, and all risk of loss or damage shall be upon the Buyer, Petoskey Plastics having no risk of loss after the goods are delivered to the carrier.

## FREIGHT

Determination on shipping mode(s) based on weight and counts. Parcel packages weighing up to but not exceeding 150 pounds will shipped with our preferred parcel carrier FedEx ground. Shipments exceeding 150 lbs will be classed / rated and shipped with our preferred ground LTL carrier. Any special delivery service or requirements "accessorials" will be incorporated into The PPD or PPA rate.

## PRODUCT RETURNS

Custom items are not subject to return. This includes custom printed items (unless it's Petoskey Plastics error), adhesive floor mats, static clings (generic art), and low tack adhesive static clings (generic art) if older than 6 months. Product that is not in their original packaging can not be returned. All returns must be discussed and authorized by your sales representative before RMA/RGA is issued.

## DISTRIBUTION & REPLENISHMENT

Orders can be shipped in bulk to any company distribution center and blind drop shipped as required to specified customers. All drop ship orders are billed at your current cost + freight.

## CANCELLATIONS

No order may be cancelled unless the Buyer's written request for cancellation is accepted in writing by Petoskey Plastics prior to shipment. Within thirty (30) days of cancellation, the Buyer shall pay Petoskey Plastics the cancellation charges, which shall include, but not limited to, all reasonable costs and expenses incurred by Petoskey Plastics prior to receipt of the Buyer's request for cancellation.

*Full terms and conditions will be explained and supplied during the new distributor process.*

# SLIP-N-GRIP® DISTRIBUTOR PORTAL

## Marketing Slip-N-Grip® is now easier than ever!

We have created the Distributor Portal just for you. The portal features sales essentials like manuals, product images, sell sheets, and instructional videos. You will also find training materials for you and your team, plus our current promotions and blog posts.

We know you are all busy people, so we designed this tool specifically for finding and sharing information quick and simple. We hope this portal is a beneficial asset when selling Slip-N-Grip® Products.
